

MINISTRY OF AGRICULTURAL DEVELOPMENT AND FOOD SECURITY

COVID 19 GUIDELINES FOR AGRICULTURAL HAWKERS AND STREET VENDORS

MoA and its stakeholder representatives are aware that improper handling of produce can result in contamination of our products and in the extreme, possible infection.

We therefore pledge to prevent the spread of the Corona Virus through the produce by adhering to the following guidelines:-

1. Provide a hand washing station for your staff and customers.
2. Wash hands thoroughly with soap after handling money and before handling produce.
3. Caution customers to avoid unnecessary touching of produce and use utensils designed for handling food.
4. Wear masks at all the times and ensure the customers are also complying.
5. Practice safe social distancing **(at least 1 metre apart)**
6. Regularly disinfect our work places.
7. Adhere to the national COVID-19 hygiene rules and regulations.
8. Ensure that our produce is washed thoroughly.
